Being a Gold Canyon Consultant has and will continue to be a wonderfully happy and positive hobby of mine. I have always loved candles but Gold Canyons are truly the best there is. I am proud to share them to fellow candle lovers.

I work full time with my husband in our business, so it was great to try something new, meet wonderful people and be apart of the Australian Gold Canyon family.

I love that I can buy little bits and pieces for the home or my 3 children without interfering into our family budget. Happy Candle Days! Join the Fun!

**WICK TRIMMER**  
Stainless steel.  
Debris tray catches

## 1 Trim It

A trimmed wick is a happy wick! Happy wicks burn longer adding hours of fragrance to your candle. Our Wick Trimmer is cleverly designed to leave just 1/4" of wick above the wax—the perfect height to prevent ugly soot buildup.

## 2 Don't Blow It

Dip it! Using a Wick Dipper or a Wick Sitter™ to extinguish a candle preserves your wick with a coat of wax and prevents smoke. Our new Wick Sitter™ is always just hanging around so it's ready when you need it!

## 3

### Give It A Rest

We know you just can't get enough, but give it a rest! After four hours, we guarantee your space is going to smell amazing. But, if you just can't help yourself, extinguish the candle so you can trim the wick, then go ahead and relight. We get it.

# 5 reasons to join the fun!

## 1. Get a Discount

You already know how fabulous Gold Canyon’s fragrance is. Who better to tell others about it than you? As a Gold Canyon Fragrance Consultant, you’ll share your passion with others while doing your own shopping at a 25% discount. It’s like getting paid to shop!

## 2. Make Money

We all have to work, but only Gold Canyon® Fragrance Consultants write their own paycheques! You run your own business, so you only work as hard as you want. Let’s say you just did one Scent Mixer every week. Consultants earn \$100 at an average Scent Mixer. What could your family do with an extra \$ a month?

## 3. Make Friends & Have Fun

You’ve never had a job like this! Gold Canyon is the most fun you’ll ever have at work. It’s like one big party when a Gold Canyon Team gets together. Ask any Consultant and they’ll tell you this business has introduced them to the best friends they’ve ever had.

## 4. Enjoy Flexibility

We’re all busy, but we all also have some down time. Wouldn’t it be great to do something during your down time that’s not only fun, but also extremely profitable? This is it! You work on your own schedule and pick your own vacation days so you never miss your kids’ special events or a paycheque.

## 5. Earn Recognition & Free Trips

It’s not always about the money, is it? Sometimes it’s a pat on the back for a job well done, a promotion acknowledging you’ve reached your goals or the little extras that reward you in unexpected ways. Perks like, reward vacations and gifts are just the beginning of what you can give your family with a your own Gold Canyon business.
