head of PERFORMING ARTS

Welcome to Sunshine Coast Grammar School's 2010 Senior Production, Jesus Christ Superstar.

Once again Grammar's Senior Students, along with the help of staff, parents, and local business, have collaborated to stage an unforgettable event for all involved! Written by Webber & Rice and first staged in 1971, Jesus Christ Superstar is a musical whose libretto is entirely sung; a Rock Opera well loved by audiences worldwide, and a feature on the program for many an amateur and professional theatre group.

Jesus Christ Superstar depicts the political and interpersonal struggles between Judas and Jesus while presenting an account of the last week of Jesus' life as told in St John's Gospel. With songs that range from the toe tapping What's The Buzz and Superstar, to the soothing sound of Everything's Alright, the passion of gospel

found in Simon Zealot's song, through to Pilate's haunting dream, Herod's parody, the scathing Trial, and finishing with the comparative profundity of John Nineteen: Forty-One, Superstar promises to be a great show.

On a personal note, I would like to take this opportunity to thank all students and staff involved in the production of Jesus Christ Superstar for the huge number of hours spent in preparing and rehearsing for the show. A big thank you also goes to the parents and sponsors for their support and congeniality throughout the rehearsal season.

So, without any further ado sit back and enjoy the show!

Yours in Performance
